

Institutional Board: Update

MOLLER Collaboration Meeting May 2023

Jim Napolitano 7 May 2023

Three Items

- Collaboration Bylaws ratified by IB (yesterday)

This solves the “chicken and egg” problem. As issues arise, we can modify the bylaws as necessary.

- New positions to be identified by EB

Talks Coordinator, Information Curator, Ombudsperson

- General access DocDB almost ready

Established at Temple University. No access restrictions.

Waiting to have Temple IT complete their “security review”
